The tradeshow floor had over 85 exhibitors. This year's conference will be held March 1-2, 2011 at the Sheraton New Orleans Hotel located in the heart of New Orleans, LA.

All electrical work must be ordered through the decorator or the facility.

Conference management reserves the right to request, at any time before or during the conference, samples of promotional literature and/or booth display layout before the exhibitor will be eligible to participate or continue in the exhibition. Plastics Recycling Conference, in sole discretion, reserves the right to determine which forms, products and/or booth display layout are appropriate, and to refuse, cancel or restrict any applicant or exhibit. If conference management decides that any of these do not meet its standards or are not suitable, then the exhibitor must, at once, comply with the management demands and/or withdraw. Exhibitor engaging in objectionable methods shall be subject to eviction without refund.

Representatives of non-exhibiting firms will not be permitted to demonstrate their products or distribute advertising material in the tradeshow or conference. Subletting of Space

No exhibitor shall assign, sublet or share the whole or any part of its assigned space without the written approval by Plastics Recycling Conference management.

Reserving and Contracting Space

The application for sponsorship must be completed in its entirety and payment must accompany the application. The receipt and acceptance by Plastics Recycling Conference of the signed application/contract accompanied, by payment for sponsorship and exhibit space, will constitute a binding agreement for the right to use the space allocated. In the event of fire, strikes, war or other acts of nature rendering the exhibit area unfit or unavailable for use, this contract will be voided. Application for exhibit space must be made on the official form and accompanied by full payment to be considered final. Completion of application constitutes that the exhibiting company and its representatives agree to abide by all the terms and conditions listed in the exhibit guidelines.

Assignment of Space

Assignment of exhibit space is based on a priority point system. The priority point system is designed to recognize organizations for their past and present support of the Plastics Recycling Conference and to encourage new organizations to participate. Priority points are awarded for each year of participation as an exhibitor and/or sponsors and will be used to determine the order in which space will be assigned in the exhibit hall. In the event that more than one organization has the same number of points, priority for those organizations will then be determined in order of which contracts are received. Priority points are only awarded upon full payment of the exhibitor and/or sponsorship fees. The Plastics Recycling Conference will make every effort to make assignments to preferred booth locations. If preferred space is not available, the Plastics Recycling Conference will assign the next best available space. The Plastics Recycling Conference reserves the right to use its sole discretion to relocate or reassign exhibit booths at any time for the overall benefit of the conference, such as separating competitors, or to accommodate revised floor plans. Specific booth assignments are not final until payment in-full has been received and confirmed in writing by the conference manager.

Priority Points are Awarded as Following:

- Four points for each year organization participated at a platinum level sponsor
- Three points for each year organization participated at a gold level sponsor
- Two points for each year organization participated at a silver level sponsor
- One point for each year organization participated as a bronze or lower level sponsor
- One point for each year organization has exhibited only
- One point for being a current Association of Postconsumer Plastic Recyclers (APR) member
- Additional points for placing advertisements in *Resource Recycling*, *Plastics Recycling Update* and/or *E-Scrap News*

To maintain priority points, all exhibiting and/or sponsoring organizations are required to participate once as an exhibitor and/or sponsor in a two-year period. If a year is skipped, the exhibitor and/or sponsor will retain all earned points to-date, but will not earn additional points. If there is no participation in a two-year period, all priority points are forfeited. All exhibiting and/or sponsoring organizations are responsible for following all rules, regulations, guidelines and policies presented. Violations by individuals representing participating organizations will be cause for forfeiting all priority points.
