

## Account Executive with ITAD Technologies

[www.itadtech.com](http://www.itadtech.com)

We are based in suburban Atlanta GA and are looking for an experienced sales rep within the IT Asset Disposal/ e-waste industry. ITAD Tech is a new company with leadership that has very deep business experience. We are looking for motivated people that can grow with us. Our compensation model will be superior to industry standards.

Our corporate culture is great and you will have the chance to help build something great!
