Account Executive with ITAD Technologies

www.itadtech.com

 ITAD Tech is a newly certified R2 IT Asset Disposal company. Our ownership has very deep business experience ranging from Fortune 500 leadership to that of running one of the largest computer parts companies in the North America. We are based in suburban Atlanta and are currently hiring experienced salespeople within the e-waste industry. We want motivated people that can grow with us. Our compensation model is superior to industry standards and are corporate culture is outstanding.   This is the chance to help be part of something great!

 If interested, Please apply by July 1 by contacting Bill Baron @ bbaron@itadtech.com.
