

Mecklenburg County North Carolina
Procurement Services
Request for Proposal #00000007
Issued on July 20, 2015

WASTE CHARACTERIZATION STUDY SERVICES

Mecklenburg County, located in the State of North Carolina, is seeking proposals from qualified vendors to perform **Waste Characterization Study Services** for its Solid Waste Division, of the Land Use and Environmental Services Agency. We invite vendors to respond to this RFP based on their organization's current capability to perform these services and maintain the described level of service throughout the contract period. Submission of an Acknowledgement Form, for vendors interested in providing a proposal, has been extended to **Friday, July 31, 2015**.

Registration as a Mecklenburg County vendor is required to access the complete RFP document and to submit a response. For more information or to register as a vendor, please visit: <https://meckprocure.com>. Please contact our Vendor Management Program Office at Vendor.Management@MecklenburgCountyNC.gov for assistance with registering, if needed. **When registering use at least the NIGP Code of 926-52.**

DUE DATE: No later than 2:00 PM (EST) on Friday, August 7, 2015.

RFP NUMBER: 00000007

Sincerely,

Matthew Newlon
