

Resource Management Coordinator and Supervisor

The City of Dubuque, Iowa (population 58,000) invites applications for the position of Resource Management Coordinator and Supervisor. The successful candidate will be responsible for supervising, developing, implementing and managing the City's solid waste collection programs; coordinating and monitoring the City's waste minimization and resource efficiency initiatives; and providing staff assistance to the Sustainable Dubuque Program and the Dubuque Metropolitan Area Solid Waste Agency's Environmental Management System Program. The successful candidate will possess professional experience in managing and supervising solid waste collection and resource efficiency programs; and graduation from an accredited college or university with major coursework in public administration, business administration, environmental science, resource management or related field; or any equivalent combination of experience and training which provides the essential knowledge, skills and abilities. The successful candidate will possess a demonstrated ability to follow a management style that is input oriented and values problem solving and the development of partnerships and a desire to be part of an organization that values service, people, integrity, responsibility, innovation and teamwork. The City offers an annual salary range of \$58,344 to \$76,252, and an attractive benefit package. Please submit an application to Randy Peck, Personnel Manager, City Hall, 50 West 13th Street, Dubuque, Iowa 52001-4805 by April 1, 2015. The Personnel Office may be contacted at (563) 589-4125 or citypers@cityofdubuque.org. The employment application, benefit summary and job description are available at www.cityofdubuque.org/employment. Women, minorities, veterans and qualified persons with disabilities are encouraged to apply. EOE.
